Behavior, and Prevention
Studies

Seeking LGBTQ+ Adults in NJ & NY

To participate:

<https://go.rutgers.edu/74ergb76>

To participate in 10-15 minute online research survey!

CHANCE TO WIN A RAFFLE!

Study aims to:

- 1** Determine vaccine uptake and hesitancy (including COVID-19, HPV, and influenza)
- 2** Examine the extent to which vaccine uptake and hesitancy is explained by demographic factors, medical mistrust, and information sources

Please contact chibps.rutgers@gmail.com if you have questions or concerns about this study.
