

RECRUITING PARTICIPANTS

BLACK/AFRICAN-AMERICAN BISEXUAL WOMEN LIVING WITH TYPE 2 DIABETES For a research study on Physical Activity

Join other Black/African-American bisexual women to discuss how your experiences have impacted your beliefs, behaviors and attitudes about physical activity as a part of your diabetes management routine.*

YOU MAY QUALIFY IF YOU

- Are between 25 and 65 years old
- Identify as a Black/African-American Bisexual Woman
- Have been diagnosed with Type 2 Diabetes for at least 1 year
- Are able to participate in physical activity

PARTICIPATION INVOLVES

- Participating in a 90-minute focus group
- Completing a brief demographic survey prior to the focus group

THIS STUDY IS CONDUCTED BY

HUNTER COLLEGE AT CUNY (CITY UNIVERSITY OF NEW YORK)

Participants who complete the focus group will receive a \$100 Visa Check Card
